RE: Assembly Bill 1320 — Support

Ladies and Gentlemen of the Committee:

We at the California Civil Liberties Advocacy would like to give our strong support to AB 1320.

In view of the homicidal atrocities that have recently come to light in the private prisons belonging to Milwaukee Sheriff David Clark i.e. the death of a newborn as a result of failure to provide adequate medical care and the dehydration death of an inmate, no state in the union should be using private, for profit prisons.

It is our duty as leaders in Civil Liberties and Californians to be a bellwether.

Thank you for your consideration,

Jeremy Hinkson
Press Secretary
California Civil Liberties Advocacy

For all of the foregoing reasons, the CCLA strongly **SUPPORTS AB 1320** and the proposed amendments.

Respectfully,

Jeremy Hinkson
Press Secretary for CCLA
